

13<sup>th</sup> Annual

# Woman to Woman The Power of We

## Luncheon & Fundraiser

Our Guest Speaker: **Dr. Bruce Daggy, Ph.D.**

Dr. Daggy is a research scientist and educator focused on improving the healthcare system via the effective use of nutrition & lifestyle approaches.

His work has ranged from addressing malnutrition in developing countries to providing sports nutrition products for elite athletes. Weight management and its impact on metabolic disease has been a major focus.

He holds a Ph.D. in Nutritional Biochemistry from Cornell University and a B.A. in Biology from University of Virginia. He has authored about 100 publications and abstracts and 13 patents.
